

FORMATION OF THE IQAC & Minutes of the FIRST Meeting for the year 2019-20

The IQAC of this college was formed on 08-07-2019 for the year 2019-20 in the staff meeting conducted in the office of the principal with the following members. The Principal presided over the deliberations.

It was decided to carry out the decisions of the IQAC meetings of the last year with more relevant additions. It was decided to meet the expectations of the DCE, the University and the NAAC. All the interests of the stakeholders to be further protected. We are already managing without a full fledged Sports department as the government policy restricts that way. The requirements and the expectations of the working students of this college will have its own pattern which the teachers know well. We have to work for the benefit of the students keeping this fact at the back of the mind. The college has to grow and glow in the new campus and many value addition steps have to be taken. Also, the college should strive to get a good score in the NAAC assessment. The principal was empowered by the members to take any suitable decision as the situation warranted, in the interests of the college. Since the staff strength is very limited, all should work for all the committed in spirit and more so when they are officially allotted.
